

Mechanical Room

Commercial Hydronic Boilers

- RBI -** Copper-finned tube hydronic boilers. Indoor & outdoor design, low nox, standard and high efficiency designs, up to 4,000,000 BTU.
- HTP Modcon -** Stainless steel, 94% efficient, modulating condensing boilers (300 MBH to 850 MBH).
- HTP Elite -** 95% efficient, wall hung or floor mounted boiler, 5:1 turn down modulation (80 MBH to 399 MBH).
- Burnham -** Commercial cast iron steam and hydronic boilers. Forced draft. Natural gas and oil fired designs.

Commercial Water Heaters / Storage Tanks

- RBI -** Copper-finned tube hot water boilers. Indoor & outdoor design, low nox, standard and high efficiency designs, up to 4,000,000 BTU.
- HTP Phoenix -** Ultra efficient tank type water heater. 96% condensing modulating stainless steel 100 MBH to 199 MBH with tank capacities up to 119 gals.
- HTP Modcon VWH -** Stainless steel, 94% efficient, modulating condensing commercial volume water heaters (300 MBH to 850 MBH).
- HTP Elite VWH -** 95% efficient, wall hung or floor mounted, modulating, volume water heaters, 5:1 turn down modulation (80 MBH to 399 MBH).
- HTP Superstor -** Stainless steel, glass lined, indirect water heaters and storage tanks.
- Hubbell -** Electric, solar & gas-fired large capacity water heaters, DI water heaters, stainless steel and cement lined tanks.
- ThermaFlo -** Stainless steel semi-instantaneous steam fired packaged water heaters. Steam to steam generators, de-aerator systems, shell & tube heat exchangers.

Combi Water Heaters

- HTP Phoenix -** Domestic hot water and open-loop hydronics. 96% condensing designs 100 MBH to 199 MBH with tank capacities up to 119 gals. Load matching 3:1 modulation.
- HTP Versa Hydro -** Domestic hot water and closed-loop hydronics up to 135 MBH. 96% condensing designs 100 MBH to 199 MBH with tank capacities up to 119 gals. Load matching 3:1 modulation.
- HTP Versa Flame -** Hydronic boiler with instantaneous water heating.

Solar Thermal Hot Water

- SolarSkies Collectors -** Flatplate all-copper absorber solar collectors.
- SolarSkies Tanks -** Large volume, jacketed or bare, glass or epoxy lined, commercial storage tanks (193 to 5,000 gals.).
- Pelican Solar -** Solar thermal mechanical module.
- HTP Phoenix Solar -** 95% integrated condensing water heater plus solar system.
- HTP Solar Tanks -** Stainless steel and glass-lined solar tanks with internal coils (50 to 119 gals.).

Commercial Pumps and Booster Systems

- Taco -** HVAC inline, endsuction ECM, turbine and split case pumps.
- Canariis -** Packaged pressure booster systems & hvac skid packages.
- Homa -** Sump and sewage pumps.

Hydronic Accessories

- Taco -** Air separators, valves, triple duty, suction diffuser, flow control, expansion tanks.
- Elbi -** ASME bladder expansion tanks, non-code diaphragm tanks for potable water, hydronic specialties.
- Axiom -** Make-up water/ glycol feeder system: for hydronic, chiller and solar system.
- Miljoco -** Temperature and pressure gauges.
- Flex-Weld -** Expansion joints, flex connection, seismic for pumps and motors.
- HCI -** Coil kits, hydronic balancing valves, hose kits, components and accessories.
- Tunstall -** Steam traps and valves

Heat Exchangers

- GEA Flatplate -** Flatplate, brazed plate, plate & frame, stainless heat exchangers.
- Taco -** Plate & frame, shell & tube

Packaged HVAC Systems

- Watts Hydronex-** Radiant solutions mechanical room solutions

Controls / Thermostats

- Tekmar -** Hydronic boiler controls, house controls, thermostats.
- Iworx -** Web-based building management system, lonworks, bms made simple.
- Taco -** Switching and reset controls

Chemicals

- Fernox** - Closed loop system cleaner & conditioner, magnetic chemical feeder/filter
BioGlycol - Corn based antifreeze
Axiom Chemical - Feeder - Make-up water / glycol feeder systems
Elbi Pot Feeder - ASME bladder expansion tanks, non-code diaphragm tanks for potable water, hydronic specialties

Hydronic Heat Distribution

Radiant Heating - Chilled Beam

- Watts Radiant** - Complete radiant floor system, tubing, manifolds, accessories
Airtex - Radiant, ceiling panels. Chilled beams
ThermalBoard - Low mass in floor radiant thermal mass system
NOFP - Roll out foam radiant heating insulation
Creatherm - Rigid foam board pop in insulation panels

Radiators

- Myson** - Decor euro-style steel radiators, flat panel, tubular, towel warmer designs.
Burnham - The Classic™ and slenderized cast iron radiators

Baseboard

- Hawkstone** - Low temperature, high capacity baseboard
Embassy - Light commercial and residential conventional finned tube baseboard
Airtex - Commercial finned -tube baseboard

Fan Convectors and Air Handlers

- Myson** - Fan convectors, whisper rcu
Aermec - Air handlers, low temperature, low profile
Engineered Air - Fan convectors, air handlers

Hydronic Specialties Company Commercial

4723 Tidewater Avenue Oakland CA, 94601
